

FOCUS MEETING 2018

DAY 1 – 9 November

S	OP Symposium	Friday, 9 November	Opening Ceremony	Hall 8
<hr/>				
President of the European Society of Anesthesiology (ESA) Stefan De Hert (Gent, Belgium)				
<hr/>				
President of the Bulgarian Society of Anaesthesiologists Silvi Georgiev (Sofia, Bulgaria)				
<hr/>				
Chair of the ESA Scientific Committee Andreas Hoeft (Bonn, Germany)				
<hr/>				
Chair of the ESA Scientific Subcommittee, Transfusion, Haemostasis and Thrombosis Christian Fenger-Eriksen (Aarhus, Denmark)				
<hr/>				
L	1S1 Lecture	Friday, 9 November	Current guidelines from European Society of Anaesthesiology	Hall 8
<hr/>				
Chair: Aamer B. Ahmed (Leicester, United Kingdom)				
<hr/>				
Venous thromboembolism prophylaxis Charles Marc Samama (Paris, France)				
<hr/>				
Management of severe perioperative bleeding Marcus Lancé (Qatar, Qatar)				
<hr/>				
S	1S2 Symposium	Friday, 9 November	Perioperative anticoagulation	Hall 8
<hr/>				
Chair: Michael Lagerkranser (Stockholm, Sweden)				
<hr/>				
Direct oral anticoagulants Pierre Albaladejo (Grenoble, France)				
<hr/>				
Neuroaxial block in patients on anticoagulants Michael Lagerkranser (Stockholm, Sweden)				
<hr/>				

S 1S3 Symposium Friday, 9 November **Prehospital transfusion and coagulation support** Hall 9

Chair:

Marc Maegele (Köln, Germany)

Cogulation support in the prehospital setting

Dietmar Fries (Innsbruck, Austria)

Prehospital blood transfusion

Christian Fenger-Eriksen (Aarhus, Denmark)

S 1S4 Symposium Friday, 9 November **Perioperative haemostasis** Hall 7

Chair:

Charles Marc Samama (Paris, France)

Liver / abdominal surgery

Ayten Saracoglu (Pendik- Istanbul, Turkey)

Theoretical issues and cases

Ivan Stoimenov (Sofia, Bulgaria)

S 1S5 Symposium Friday, 9 November **ICU Sepsis and Inflammation** Hall 8

Chair:

Andrei Minou (Minsk, Belarus)

Inflammation and coagulation – Where is the link

Dietmar Fries (Innsbruck, Austria)

Thromboprophylaxis in intensive care medicine patients

Christian von Heymann (Berlin, Germany)

Treatment and diagnosis of DIC, HIT, pulmonary embolism

Lutz Kaufner (Berlin, Germany)

S

1S6
Symposium

Friday, 9
November

Bleeding in cardiac surgery

Hall 9

Chair:

Aamer B. Ahmed (Leicester, United Kingdom)

Patients on platelet inhibitors - bleeding vs. stent thrombosis

Marcus Lancé (Qatar, Qatar)

Deep hypothermic arrest - treatment to prevent bleeding

Juan Vicente Llau Pitarch (Valencia, Spain)

Aprotinin- an old kid back on the block

Stefan De Hert (Gent, Belgium)

S

1S7
Symposium

Friday, 9
November

Monitoring and managing the patient's fluid status

Hall 7

Chair:

To be added

Assessment of volume status – as a guidance for transfusion other than „just“ blood pressure and pulse

Thomas Scheeren (Groningen, Netherlands)

Targeted fluid therapy during surgery

Marit Habicher (Berlin, Germany)

Limitations of assessing fluid responsiveness in the perioperative period

Simon Vistisen (Aarhus C, Denmark)

S

1S10
Symposium

Friday, 9
November

Bleeding in Neurosurgery

Hall 7

Chair:

Juan Vicente Llau Pitarch (Valencia, Spain)

FFP vs. PCC in VKA-induced intracranial haemorrhage

Oliver Grottke (Aachen, Germany)

DOAC induced bleeding in neurosurgery

Pierre Albaladejo (Grenoble, France)

Spine surgery and bleeding risk

Juan Vicente Llau Pitarch (Valencia, Spain)

S

1S8
Symposium

Friday, 9
November

Blood saving strategies

Hall 8

Chair:

Charles Marc Samama (Paris, France)

Cell salvage - when is it worth while to do?

Christa Boer (Amsterdam, Netherlands)

Acute normovolemic hemodilution: a forgotten friend

Yves Ozier (Brest, France)

Preoperative autologous donation: indications and evidence

Manuel Munoz (Málaga, Spain)

S

1S9
Symposium

Friday, 9
November

Patient Blood Management I

Hall 9

Chair:

Jens Meier (Linz, Austria)

PBM in obstetrics

Ankie W.M.M. Koopman-van Gemert (Dordrecht, Netherlands)

PBM at the ICU

Jens Meier (Linz, Austria)

PBM for oncology patients

Andrei Minou (Minsk, Belarus)

FOCUS MEETING 2018

DAY 2 – 10 November

L	2L1 Lecture	Saturday, 10 November	Preoperative iron therapy – evidence and indication	Hall 8
			Chair: Lutz Kaufner (Berlin, Germany)	
			Speaker Christian von Heymann (Berlin, Germany)	
L	2L2 Lecture	Saturday, 10 November	Management of traumatic bleeding	Hall 9
			Chair: Christian Fenger-Eriksen (Aarhus, Denmark)	
			Speaker Herbert Schöchl (Mattsee, Austria)	
L	2L3 Lecture	Saturday, 10 November	Point-of-care coagulation monitoring	Hall 7
			Chair: Jakob Stensballe (Copenhagen, Denmark)	
			Speaker Daniel Dirkmann (Essen, Germany)	
S	2S11 Symposium	Saturday, 10 November	Patient Blood Management (PBM) II - Unsolved problems	Hall 8
			Chair: Astrid Norgaard (Copenhagen, Denmark)	
			Strike while the iron is hot (or low)! Manuel Munoz (Málaga, Spain)	
			PBM – a playground for anesthesiologists or a team sport To be added	
			Sisyphus and the Implementation of PBM Astrid Norgaard (Copenhagen, Denmark)	

S

2S12
Symposium

Saturday, 10
November

Coagulation defects and perioperative management

Hall 9

Chair:

Christian von Heymann (Berlin, Germany)

Lupus anticoagulans/ von Willebrand disease what do we need to know

Hanne Berg (Copenhagen, Denmark)

Prediction of bleeding – mission impossible

Alexander Vlaar (Amsterdam, Netherlands)

Sick platelets – measurements and options

Seema Agarwal (Liverpool, United Kingdom)

S

2S13
Symposium

Saturday, 10
November

Transfusion strategies

Hall 7

Chair:

Marc Samama (Paris, France)

1:1:1 approach – still going strong

Jakob Stensballe (Copenhagen, Denmark)

Whole blood transfusion

Geir Strandenes (Bergen, Norway)

Goal directed transfusion strategy

Marc Maegele (Köln, Germany)

PC

2PC1
Pro-Con

Saturday, 10
November

Do we need colloids for the bleeding patient? Pro-Con

Hall 9

Chair:

Christian Fenger-Eriksen (Aarhus, Denmark)

PRO

Thomas Scheeren (Groningen, Netherlands)

CON

Thorsten Haas (Zürich, Switzerland)

L

2S14
Lecture

Saturday, 10
November

Postpartum bleeding

Hall 8

Chair:

Anne Juul Wikkelsøe (Hvidovre, Denmark)

The WOMAN trial: lessons learned

Lutz Kaufner (Berlin, Germany)

Fibrinogen administration yes or no?

Oliver Grottko (Aachen, Germany)

S

2S15
Symposium

Saturday, 10
November

Future of blood transfusion

Hall 7

Chair:

Christian von Heymann (Berlin, Germany)

The role of viscosity in microcirculatory perfusion

Christa Boer (Amsterdam, Netherlands)

Artificial blood

Aamer B. Ahmed (Leicester, United Kingdom)

S

2S16
Symposium

Saturday, 10
November

Transfusion with allogenic blood products

Hall 8

Chair:

Charles Marc Samama (Paris, France)

Blood transfusions: what's the risk

Yves Ozier (Brest, France)

The role of the endothelium in hemorrhagic shock

Christa Boer (Amsterdam, Netherlands)

TACO: theory or real problem

Alexander Vlaar (Amsterdam, Netherlands)

S

2S17
Symposium

Saturday, 10
November

Pharmacy during bleeding

Hall 9

Chair:

Christian von Heymann (Berlin, Germany)

Fibrinogen concentrate – for all bleeding patients ?

Anne Juul Wikkelsøe (Hvidovre, Denmark)

Prothrombin complex concentrate – who benefits

Christian Fenger-Eriksen (Aarhus, Denmark)

rFVIIa - in perioperative bleeding

Vilian Platikanov (Varna, Bulgaria)

S

2S18
Symposium

Saturday, 10
November

Coagulation and transfusion in children

Hall 7

Chair:

Christa Boer (Amsterdam, Netherlands)

Developmental haemostasis and influence on POC tests

Hanne Berg (Copenhagen, Denmark)

Perioperative management of the bleeding child

Thorsten Haas (Zürich, Switzerland)
